
Key / Notes

- Boundary of Thornhaugh Landfill Site
- Approximate phase boundaries
- Phase 2 East — Original name of phase area
- Surfaced section of internal haul road
- Approximate route of haul roads
- Existing building
- Current surface water collection areas
- Unprepared area
- Excavation and preparation for landfilling
- Active landfill area
- Infill complete. To be capped
- Restored
- Nature conservation habitat for great crested newts

Note:
The proposed phasing is approximate, and while the principles are unlikely to change, phase boundaries may change in response to operational conditions.
